

## The McComb Community Partnership

The intention and our goal for the McComb Community Partnership and the McComb Cookie Festival is to raise funds for the construction of a well needed Community Center that would be a great asset to the Village. With your help in donations, service or sponsorship to the McComb Cookie Festival, this dream will become a reality. The McComb Community Partnership would like to thank you in advance for your support and dedication to this community project.

The McComb Community Partnership reserves the right to refuse any sponsorship, parade entry or booth reservation if not in the spirit of the festival.
